

## Industrial Experience Report

### **Andrew Thompson**

SDSM&T Senior Design

April 24, 2013

Before returning to finish a Computer Science degree at SDSM&T in 2010, I had previously spent 10 years doing various computer science related work. Just this year, however, I accepted a position as an intern at CHR Solutions in Rapid City. This will be a full time, paid internship and will be there until I graduate in the fall of 2013.
